## Amp Distribution Report

Jan 20, 2021

*This case study contains live/active links associated to a previous client, click on the links below to observe the listings, posts, blog posts, videos, press releases, podcasts, slide shows and more that were created for this client through our Media Broadcast service.*

*This service works best on a monthly basis or for seasonal product or service offers.*

*NOTE: Active Google Page Placement for the report links may have shifted down on Page One of Google over time. This report is over 180 days old, therefore our recent review indicates 93% of the original links take the viewer to the exact page placement in Google or associated platforms where it appeared on the date of its posting.*

# Google Pickup

[Click here to check out the pick-up in Google](#) to see how many pages Google has discovered and indexed, which represents just a partial list of where your release and news has been published, shared and discussed.

## Keyword Rankings

### Recorded Keyword Rankings: 144

Our crazy tech monkeys have searched the web far and wide to find out what keywords your amp is ranking for. They worked hard and literally checked for hundreds of possible rankings.

Your amp ranked in the number one position in Google for 92 keyword phrases and was in the top ten for 106 phrases!

Below is a partial list of keyword rankings we were able to track. These rankings are a snapshot from the time we did our rank checking which was shortly after your release went live. These rankings are likely to change over time.

### Want Ongoing Keyword Tracking?

If you would like to track the rankings of your amp over time, then the only platform that has the technology to do this is [SerpEd](#). It is the best all-in-one SEO and marketing agency research and reports platform, and as a Ampifire customer you get access to a [special \\$1 trial here](#)
